

Product Announcement

300965AL Kit, PE Bench without Armrests

Implementation Date: November 2013

300965AL

Features and Benefits

Introducing EZ Dock's newly revised PE Bench Kit without armrests. This new kit comes with completely redesigned mounting brackets that utilize 2" round, 1/4" wall aluminum tubing, custom bent to provide a more ergonomically friendly sitting position. The bench kit comes complete with two (2) PE Bench Planks, two (2) attachment brackets, and all necessary hardware to install along any open 3-pocket span on the EZ Dock product.

Shipping weight is 98 lbs. (44.45kg)
